1. The branch of the UDB which controls the railroads is called the Traffic (Prometna) UDB. The Traffic UDB keeps records of the professional efficiency and political reliability of railway employees; it controls appointments, discharges and transfers. The Traffic UDB is also in charge of railway security in regard to sabotage, theft, etc., and especially of security measures taken for special trains, as for example, Tito's trains, and special trains with important people from foreign countries. When Tito travels on a special train, a UDB agent is standing next to every railroad man who has to perform duties like switching of rails, signals, etc. all along the line.
2. Traffic UDB for the Karlovac area is located in the same building as the District Committee of the Federation of Communists of Yugoslavia, the SAWP (Socialist Alliance of Working People) and the organization for trade unions.
